Ulster University | London & Birmingham

Extended Masters:
Your Pathway to a Full-Time Masters from Ulster University

What is an Extended Masters?

Our Extended Masters programmes have been specially designed to provide a bridging route for students who don't meet the initial entry requirement of their target masters degree. Upon completing an integrated Graduate Certificate, students will have enhanced their subject knowledge, study skills and academic language to progress on to our industry-focused MSc Marketing or MSc International Business postgraduate degrees.

Why choose an Extended Masters?

Prepare for **masters-level study** if you do not meet the direct entry requirements

One application process covers both the Graduate Certificate and Masters programme

After just **3 months** and upon successfully passing the Graduate Certificate element, you will be able to start your masters degree

For international students, the Extended Masters have a **combined CAS**

Matched with two **industry-focused** programmes

Study in a **vibrant and multi-cultural** student city
